23 The parties have submitted a joint case management statement for the initial case
management conference scheduled for April 13, 2023 (Dkt. No. 23). At the end of that
statement, the parties requested that the case management conference be continued once more.
Such request is not a proper stipulation in accordance with Civil Local Rule 16-2(e), and in any
event would be denied. This action was filed in November 2022. The initial case management
conference has already been postponed twice. Counsel shall appear in person for the
scheduled initial case management conference on April 13, 2023.

IT IS SO ORDERED.
